

**DURABLE PROTECTION FOR CTEK CS ONE CHARGER**

*Helps protect the CS ONE from bumps and scratches. It also gives extra grip on slippery surfaces.*

The CS ONE BUMPER helps protect your CTEK CS ONE charger from bumps and scratches. Adds extra grip on slippery surfaces. Made of durable silicon rubber material, it's easy to fit — just stretch the CS ONE Bumper over the charger body for a snug fit.

Designed and tested in Sweden.

- Protects from bumps and scratches
- Adds extra grip on slippery surfaces
- Durable silicon rubber protection for CTEK CS ONE charger
