

February 2018

CTEK 2018 Product Guide Launched

CTEK, a leading global brand in the care and maintenance of vehicle batteries, has launched its 2018 product guide. This eye-catching and informative guide contains product information on the extensive range of consumer, professional and integrated battery management products and accessories, including a number of new and updated products. As well as showcasing the range, the guide is a useful sales tool and reference document for stockists.

For further information on the product guide and to obtain a free copy contact your CTEK distributor.

To find out more about the entire range of CTEK smart chargers and accessories visit www.ctic.com.
